

Dear Parents of 3rd, 4th and 5th graders,

I am interested in starting a math enrichment program for our gifted math students. Our club would feature math activities, games and challenges to further motivate those who have an aptitude and interest in mathematics. This is not a review or help program.

My goal is to start in February on Tuesdays or Thursdays from 3:15 – 4:00. If you are interested in having your child participate, please complete the form below and return it to your child's teacher by Wednesday, January 19. Depending upon the interest, I will let you know if and when we will be able to begin.

Mr. Kirychuk

I am interested in having my child participate in the Math Club program for advanced math students. Return this form by Wednesday, January 19, 2022.

Student Name: _____ Grade: _____

Teacher: _____

Preferred Day: _____ Tuesday _____ Thursday

Parent signature: _____
