

Incentive Program

Families with students currently enrolled in Calvary Baptist Church Academy are eligible to receive a \$300 tuition credit* for each incentive form submitted by parents who have never before had their children enrolled in CBCA.

If this form is submitted at the time of registration, new families are able to receive \$40 off the registration fee.

*Tuition credit will be applied after the new student has attended CBCA for 12 weeks. Both the new parents and the referring parents must be current on their tuition payments in order for the referring parents to receive the tuition credit. Parents of new students may only be referred by one family.
